Step 3 Share your Seal on your website

Place your Candid Seal of Transparency on your website using Candid's widget to demonstrate your ongoing commitment. The Seal links directly to your profile on GuideStar so your supporters can easily see your information and verify your accomplishment. The image will automatically update when you earn a new Seal. This means your supporters will always see your latest Seal with no additional work for you!

Access your widget code:

Navigate to the [Profile Update Tool](#) Benefits section and select *Get Widget*.

By using the 2022 Seal on your web or printed materials, you are agreeing to our [terms of use](#).
